EXTENSION OF COMMENT PERIOD FOR TENTATIVE WASTE DISCHARGE REQUIREMENTS – BOEING COMPANY, SANTA SUSANA FIELD LABORATORY, CANOGA PARK, CA. (NPDES NO. CA0001309, CI NO. 6027)

The public comment period began on September 5, 2003 with our mail out to interested parties, and we posted the permit on our website on September 17, 2003. We extended our normal 30-day review period to a 45-day review period (until October 20, 2003) to accommodate comments. All comments made during the October 8, 2003, workshop will be incorporated into the record before the Regional Board.

In an effort to accommodate individuals who have requested additional time to review the tentative waste discharge requirements, the comment period has been extended to 5 PM on Friday, October 24, 2003. The comments can be emailed to bponek@rb4.swrcb.ca.gov, or faxed to (213) 620-6140 by close of business (5PM) on that day.
